OBJECTIVE

I hope to offer the many skills that I've learned from my education in Graphic Design, including technical and illustration skills with various Adobe programs.

SKILLS

Technology

- Arranged template layouts in Adobe InDesign
- Designed system badges in Adobe Illustrator
- Used Adobe Photoshop to edit photos effectively
- Able to set up InDesign and Illustrator files for print
- Familiar with Microsoft Office and Google Suite
- Can properly operate Cisco Webex Meetings and Webex Teams.

Illustration

- Drew up a multi-side viewable insect themed food truck
- Able to sketch using different traditional drawing techniques
- Able to create digital illustrations in Apple's Procreate
- Created an environmental friendly community college bus design

Print

- Printed business cards
- Operated a digital printing press
- Designed and printed multiple buttons
- Enabled a print job of multiple designed posters

EDUCATION

- Graduated Year of 2022
- AAS, Advertising + Graphic Design
- Central Piedmont Community College, Charlotte, NC
